

# SKYWARN WEATHER SPOTTER TRAINING ANNOUNCEMENT

**Site: Everett Community College – Everett, Wa**  
(2000 Tower St - see map below)

**Date: Saturday, October 14, 2006**

**Time: 830 – 1100 AM**

**RSVP: Snohomish County Emergency Management**  
(425) 388-5060 or e-mail: [mdavis@co.snohomish.wa.gov](mailto:mdavis@co.snohomish.wa.gov)

The National Weather Service will train new and veteran spotters, including interested citizens, amateur radio, CERT, citizen corps, and law enforcement staff, on how to look for and report significant weather events. Training includes video demonstrations. Spotters are needed, particularly in rural parts of Snohomish County, as well as those who have weather instrumentation, such as an anemometer.

If planning to attend this spotter training session, please RSVP so an appropriate number of handout materials can be on hand. Class capacity is 60, so sign up early! We look forward to seeing you at this or other Skywarn Weather Spotter training sessions, and receiving your hazardous weather reports.

## Directions:

From Interstate-5 heading north, take the Broadway exit and head north to Tower Street. (approx 5 miles). Turn left toward College and look for CERT Expo signs.

Park in upper lot, look for registration desk.

Heading South, off of I-5 in Marysville, take the Hwy 529 toward Everett, 2<sup>nd</sup> stop light make a right onto Tower Street and follow CERT Expo signs.
